Thank you for your interest in the Allegro Scholarship Program. Allegro provides tuition assistance for qualifying students studying an assortment of instruments. The students are taught by talented music instructors in Lake and Mendocino Counties.

Allegro also awards recognition certificates and college education grants for excellence in creativity, performance, and community service in the art of music to deserving young adult musicians.

The Lake County Youth Orchestra has been the recipient of Allegro funds to purchase performance sheet music. The George and Ruth Bradford Foundation contributed funds to Allegro that are reserved for the needs of the Lake County Symphony Association String Classes program.

The Allegro Scholarship Program continues to search for new ways to embrace its mission to encourage gifted and talented music students to reach their potential and keep music in their lives.

Deep appreciation is given to the George and Ruth Bradford Foundation, the Allen-Heath Memorial Foundation, the Lillian and Mortimer Vogel Foundation, and all the individuals and organizations who contribute year after year.

Please consider making a tax-deductible qualifying contribution. Your generosity will help improve the quality of music in our culture. You will receive a detailed receipt in the mail from the Allegro Scholarship Program operating under the Lillian and Mortimer Vogel Foundation for the Improvement of Human Relations 501(c)(3) charitable organization.

Make a note in the memo area of your check if you would like your funds to go toward one of the following scholarships: Mary Jane Ross vocal, Jean H. Rogers memorial, or Marilynn Tollefsen memorial.

Sincerely,
Thomas R. Ganoung, Director
